St. Johns and Assumption Cookbook

REFRESHED EDITION

In 1986, the cooks of St. Johns and Assumption gathered more than 300 of their best recipes: hotdishes, bars, salads that are mostly Jell-O, and the pies everyone asked about at every potluck. This edition keeps every recipe and every name, now with a cleaner layout and modern notes for today’s kitchens.

“Can I take some home?”

Everyone at the potluck

Every recipe has been approved by somebody’s grandma.
Please don’t argue with grandma.
